A cookie is a file containing an identifier that is sent by a web server to a web browser and is stored by the browser. The identifier is then sent back to the server each time the browser requests a page from the server.

The ShareThis service only personally identifies you if you have separately signed up with ShareThis for a ShareThis account and given them your consent. You can read the ShareThis privacy policy here: <http://sharethis.com/privacy>. This page also explains how you can opt out of the tracking aspects of the ShareThis Service if you wish to.
